

# Recipe for a Basic Malt

In a blender or large bowl with mixer, add the following:

2-3 Scoops of Ice Cream

2-3 Tablespoons of Soda Fountain® Malted Milk Powder

1/4 cup Milk

A smoothy machine works great too.

Pour in a tall glass and serve with a spoon and straw.

Create your own malt with your favorite flavors... here is a few to try out!

**Vanilla Malt** - Made with vanilla ice cream and vanilla extract for a more intense vanilla flavor

**Chocolate Malt** - Made with chocolate ice cream. Add chocolate syrup for a richer flavored malt

**Banana Split Malt** - Add 1/2 banana, strawberries, pineapple. After you pour it into the glass, drizzle chocolate syrup over top and sprinkle with chopped nuts, whipped cream and finish with a cherry.

**Minty Malty Saint Patrick's Day Treat** - 2 Scoops Mint Green Ice Cream, 1/2 c. Milk, 2 Tbsp. Soda Fountain Malted Milk Powder, and 1 Chocolate Sandwich Cookie Finely chopped.

**Strawberry Malt** - Strawberry ice cream. Add additional strawberries or strawberry jam for a more intense flavor.

**Peanut Butter Chocolate Malt** - Make chocolate malt. Chop up 2 peanut butter cup candy bars or 1 heaping Tbsp. peanut butter and chocolate chips. Mix in malt with a spoon to make a chunky malt

**Chocolate Covered Cherry Malt** - Make a vanilla malt. Add mini chocolate chips (semisweet or milk chocolate) and add fresh or maraschino cherries, cut up and blend.

**Extreme Chocolate Malt** - Add to your chocolate malt chopped chocolate pieces, bits of fudge brownie and white chocolate chips. And nuts if desired.

**Craving Crunchy Nutty Malt** - Add to vanilla malt, chopped up nuts and your favorite candy bar chopped up

**Tropical Malt** - Add to a vanilla malt, 1/2 crushed pineapple, 1/2 banana and coconut

**Reduced Fat and Sugar Fruit Filled Malt** (Smoothy)- Use fat free, sugar free frozen yogurt instead of ice cream in the basic malt recipe. Add strawberries, blueberries, raspberries and 1/4 cup of oatmeal. Blend well

**Peach Cobbler Malt** - Add to a vanilla malt, chopped fresh peaches, canned peaches preserves. Blend. Add crushed up wafer cookies, mix with a spoon.

**Pistachio Nut Malt** - Add to a vanilla malt a heaping Tbsp. of Pistachio pudding, crushed pineapple and nuts (optional)

**Pumpkin Malt** - Add to basic malt, 1/4 cup pumpkin filling and a dash of nutmeg or pie spice
